RYLE Manufacturing Company 1-800-433-0960

Conditions of Sale

CONDITIONS OF SALE

of Ryle Manufacturing Company, hereinafter called "the company" are as follows in order to give the company and the purchaser a clear understanding. No additional or different terms and conditions shall be binding on the company unless expressly consented to by the company in writing. The acceptance by the company of an order from the purchaser is expressly conditioned on the purchaser's agreement to said conditions of sale. The acceptance of acknowledgement, whether written, oral, by conduct, or otherwise, by the company of purchaser's order shall not constitute written consent by the company to any condition to or change in said condition of sale.

WARRANTY

is limited to the original user and we warrant the products we manufacture to be free of defects in material and workmanship, of good saleable quality, and possessing the characteristics set forth in this warranty. The company is not liable for consequential damages (loss of profit, delays, etc.) whether based on contract or other. CLAIMS for defects in material and workmanship must be made within twelve (12) months from date of shipment. When satisfactory proof of claim has been duly received by the company at the factory, we will make necessary corrections or, at our option, replace defective parts free of charge F.O.B. factory upon receipt of defective parts freight prepaid to factory. IN LIEU OF ANY OTHER WARRANTY(S), EXPRESSED OR IMPLIED INCLUDING ANY WARRANT(S) WHICH MIGHT EXTEND BEYOND THE PRODUCT DESCRIPTION, THIS IS OUR FULL WARRANTY.

SHIPPING DATES

will be made on or before quoted times except for delays caused by circumstances beyond our control which delays we accept no liability for. Our liability ceases upon delivery to the carrier.

ROUTING

will be shipped cheapest and fastest as best we can determine these variables when the customer has not specified routing with the order. In the event we choose a higher cost routing or a slower delivery routing on an order that the customer has not specified the routing, we accept no liability for added expense or extra slow delay in receiving. We suggest that customers specify routing and in lieu of such specification we will make the best choice we can to ship the cheapest and fastest.

CANCELLATION

must be accepted by the company in writing. Cancellation will be accepted only on terms indemnifying us against loss.

OVERRUNS AND SHORTAGES

on made-to-order (MTO) and special order sprockets will occur on most orders because more than the required number must be made to offset normal manufacturing losses. Therefore orders for specials and made-to-order non-catalog items will be accepted, shipped, and invoiced only on the basis of plus or minus five percent (5%) of the quantity ordered. In the event of a 5% shortage in shipment, this shortage will be subsequently manufactured only on the basis of our accepting a new order to produce such parts. Orders for specials and made-to-order non-catalog items will be accepted only on the basis that customer will accept as complete shipment plus or minus 5% of the quantity ordered.

TAXES

such as sales, use, consumer, etc., applicable to the sale, use, or purchase of any item shipped is not included in catalog or quoted prices and will be paid by the buyer.

RYLE Manufacturing Company 1-800-433-0960

Return Policy

RYLE MANUFACTURED PRODUCTS only will be accepted back into our stock. Products of other manufacturers are unacceptable.

ACCEPTANCE must be in writing from the factory.

PRODUCTS MUST BE RETURNED TO FACTORY ONLY. Products will not be accepted by any non-factory location such as warehouses.

FREIGHT must be prepaid to Wichita Falls, Texas.

INSPECTION of returned goods will be made at factory at time of arrival. Unsalable parts as determined by this inspection will be cause for rejection.

ALTERATIONS, DAMAGES, OR CHANGES of any kind to the original product as revealed by inspection will be cause for rejection.

SPECIALS AND ALTERED PRODUCTS will not be accepted. Products must be as listed in RYLE catalog.

LARGE QUANTITY of stock catalog items will be subject to negotiation for acceptance if the quantity is of such size as to be larger than that normally carried in factory stock.

CATALOG ITEMS offered for return, but which is not normally carried in stock at the factory will be cause for rejection.

A RESTOCKING CHARGE of twenty percent (20%) will be made based on the net invoice cost as shown on the RYLE invoice furnished by the customer. This charge will be in addition to any reworking charges accepted by the customer.

Split Type A plate \$ 2.76
per inch of sprocket diameter

Rebore \$49.00
Keyway \$13.40
Setscrew (each) \$13.40
Harden per tooth \$.94
Drill Type A plate (4) holes = \$28.00
(6) holes = \$42.00
(8) holes = \$56.00

* Indicates hub diameter is grooved for chain clearance. Maximum bores will accommodate standard keyway and setscrew over key. Slightly larger bores may be possible with shallow keyway and/or setscrew at 90 degrees. Multiple keyways must be priced at factory.

Rebore	\$49.00
Keyway	\$13.40
Setscrew (each)	\$13.40
Harden per tooth	\$.94

* Indicates hub diameter is grooved for chain clearance. Maximum bores will accommodate standard keyway and setscrew over key. Slightly larger bores may be possible with shallow keyway and/or setscrew at 90 degrees. Multiple keyways must be priced at factory. Note: 25 teeth or less already have Hardened Teeth.

Split Type A plate	\$ 2.76
per inch of sprocket diameter	
Rebore	\$49.00
Keyway	\$13.40
Setscrew (each)	\$13.40
Harden per tooth	\$ 1.02
Drill Type A plate	(4) holes = \$28.00
	(6) holes = \$42.00
	(8) holes = \$56.00

* Indicates hub diameter is grooved for chain clearance. Maximum bores will accommodate standard keyway and setscrew over key. Slightly larger bores may be possible with shallow keyway and/or setscrew at 90 degrees. Multiple keyways must be priced at factory.

* Indicates hub diameter is grooved for chain clearance. Note: 25 teeth or less already have Hardened Teeth. Maximum bores will accommodate standard keyway and setscrew over key. Slightly larger bores may be possible with shallow keyway and/or setscrew at 90 degrees. Multiple keyways must be priced at factory.

Rebore	\$49.00
Keyway	\$13.40
Setscrew (each)	\$13.40
Harden per tooth	\$ 1.02

* Indicates hub diameter is grooved for chain clearance. Maximum bores will accommodate standard keyway and setscrew over key.

Slightly larger bores may be possible with shallow keyway and/or setscrew at 90 degrees.
Multiple keyways must be priced at factory.

Split Type A plate.....\$ 3.42 per inch of sprocket diameter

Rebore	\$49.00
Keyway	\$13.40
Setscrew (each)	\$13.40
Harden per tooth	\$ 1.56

Drill Type A plate (4) holes = \$28.00
(6) holes = \$42.00
(8) holes = \$56.00

* Indicates hub diameter is grooved for chain clearance.

Note: 25 teeth or less already have Hardened Teeth.

Maximum bores will accommodate standard keyway and setscrew over key. Slightly larger bores may be possible with shallow keyway and/or setscrew at 90 degrees. Multiple keyways must be priced at factory.

Rebore	\$49.00
Keyway	\$13.40
Setscrew (each)	\$13.40
Harden per tooth	\$ 1.56
